TAKE A MASTER’S DEGREE IN CULTURE, COMMUNICATION AND GLOBALISATION

CONSUMPTIONS AND ORGANISATIONS

An international two-year Master Degree Programme in English, focusing on communicative and cultural as well as social and political aspects of global processes in areas such as market communication, consumption, organizational dynamics, international relations and politics, migration and civil society.

If you are looking for a Master’s programme that does not only provide you with high-quality education with a strong international profile in the subjects central to the demands of today’s world but also trains you in solving the problems posed by these rapidly changing demands, consider the ‘Culture, Communication and Globalization’ programme.

If you are interested in having an active role in designing your personal academic profile and not only acquiring but also producing knowledge in the areas highly relevant to many contemporary professional settings, then you will appreciate interdisciplinary, problem-based learning which is a trademark of Aalborg University.

TRAINEESHIP
The ninth semester offers to the students an opportunity to take an internship in an organisation or institution. The internship can take place either in Denmark or abroad. The duration of the internship is minimum 3 months. As an integral part of a private company, a nonprofit organisation or a public institution (e.g. ministries and municipalities), you will be working with strategic and analytical tasks. The internship must have an international and/or intercultural dimension and be relevant to the CCG studies.
